SUBJECT: Collation of DCID 1/2 and NITs Guidance: Part I

Attached please find a collation of the NITs of Current Interest for the Soviet Union and East European countries and relevant DCID 1/2 priorities and definitions. The collation suggests that some revisions of DCID 1/2 topic definitions and priorities may be in order. Discussion of this material will be an agenda item for a meeting of the DCID 1/2 Committee in the near future. Collations covering other geographic regions, global issues, etc., are in preparation.
